📍 Dhaka, Bangladesh

EDUCATION

B.Sc. Computer Science & Engineering

Bangladesh Army University
of Engineering & Technology

CGPA: 3.79 / 4.00

HSC | GPA: 5.00/5.00

Rajuk Uttara Model College

SSC | GPA: 5.00/5.00

Rajuk Uttara Model College

TECHNICAL SKILLS

Languages: C/C++, Python, JS, PHP, Java

Frontend: React.js, HTML5, CSS3, Bootstrap

Backend: Node.js, Express.js, REST APIs

Database: MySQL, MongoDB

Mobile: Android, Java/Kotlin, Studio

AI/ML: Machine Learning, Computer Vision

Tools: Git, VS Code, Arduino, IoT

LANGUAGES

Bengali: Native

English: Fluent

ACHIEVEMENTS

- Perfect GPA 5.00/5.00 in SSC & HSC
- CGPA 3.79/4.00 in B.Sc. CSE
- Immediate availability — Full-time

PROFESSIONAL SUMMARY

Motivated and passionate Software Engineer with a strong academic foundation in Computer Science & Engineering. Experienced in full-stack web development, mobile application development, and AI/ML implementations. Proven ability to deliver innovative solutions through diverse projects. Seeking to leverage technical expertise and problem-solving skills to contribute to impactful software projects.

PROJECTS

Hall Management System

PHP · MySQL · HTML/CSS/JS

Web-based dormitory management with room allocation, student registration, and administrative controls.

University AI System

Android · Java · Machine Learning

AI-powered mobile application for university operations with intelligent automation and personalized features.

Fire Detection System

Python · Computer Vision · ML

Real-time fire detection using computer vision with high accuracy and instant alert mechanisms.

Routine Management System

Web Stack · MySQL

Automated academic scheduling system with smart timetable generation and conflict resolution.

Cafeteria Management System

Full-Stack · Database Integration

Automated ordering and inventory management system with streamlined food ordering and tracking.

Spotify Clone

Android · Java · Media APIs

Feature-rich music streaming application with playlist creation, audio streaming, and polished UI.

Photo Editing Application

Android · Java · Image Processing

Comprehensive photo editor with multiple filter options, editing tools, and user-friendly interface.

Line Follower Robot

Arduino · C++ · Sensor Integration

Autonomous robot with precise navigation algorithms and real-time obstacle detection.

SOFT SKILLS & INTERESTS

- Problem Solving & Critical Thinking
- Team Collaboration & Communication
- Project Management & Planning
- Traveling, Gaming & Technology Exploration

PERSONAL INFORMATION

- Religion: Islam
- Marital Status: Unmarried
- Age: 26 years old
